

PERFECT DEDICATION TO GOD
WONDERFUL TRINITY, FATHER, SON AND HOLY SPIRIT

Jesus said

"Whoever will follow me, deny himself, and take his cross daily, and follow me"

MY GOD, I AM STAND BEFORE YOU AS A SINNER; NOW I WANT TO CHANGE.

With this act I renounce my independence, which brought so much pain to the earth.

Take under Your Holy Control all my senses, organs, my thoughts, what I should do and what I should not do, what I must say or when I must be silent.

I ADORE YOU IN SPIRIT AND IN TRUTH

I wish to be sanctified at all costs because you are HOLY, and I am sure that I will be trained by you from now on for:

I would like to adore you even more day and night and every second of my life and later be included into your fellowship.

Over time, people have wanted to build paradise on earth without God. We know the results ...

The only way to save the world is that as many souls as possible devote themselves to God.
