Our activities

Supply of new equipment like

- MTU Container until 2.4 MW, new with warranty (12-20V4000) with Nidec generator - generators in container, 150, 250, 500 kVA (Cummins, Perkins), with warranty
- open skid generators, with warranty
- gas generator in container till 1 MW, Perkins or Yuchai, with warranty
- Sulzer Engines and Diesel- Generator made in Croatia (former ZA40S engines)
- Sheet metal working machines
- Refurbishment, supervision, service and spares
- Refurbished and upgraded Sulzer power plant with 8, 12, 16 ZA40S Generator
- Spare parts for Sulzer, Wärtsilä, MTU 4000 and some MAN engines
- Supervision and service for Sulzer engines worldwide

available used or unused power plants:

- MAN Gas-turbine 12MW (3)
- Siemens GT 16 MW
- 81 + 34 MW Gas turbine
- different Solar Gasturbines
- Different tool machines
- CAT DIESEL AND GAS
